TO THE CHANCELLOR OF  
THE DIOCESE OF ST ALBANS

05/07/2024

VIEWED by the St Albans Diocesan  
Advisory Committee

We would like to put an A3 brass plaque up in the Roland King Room in his memory so that people in the future know why the room is so named. The wall selected is part of the modern kitchen addition.

The suggested wording is:

The Roland King Room was so named

on Coronation Day 2023

in grateful memory of

ROLAND G KING (1930-2022)

Churchwarden from 1957 to 2016.

There are already two similar historic brass plaques in the Roland King Room. These are on the wall below the West Window however we thought it might be preferable to fasten the plaque to a modern wall rather than the older part of the building. If the DAC prefers, we can put this plaque alongside the others, one of which also marks the service of a churchwarden.

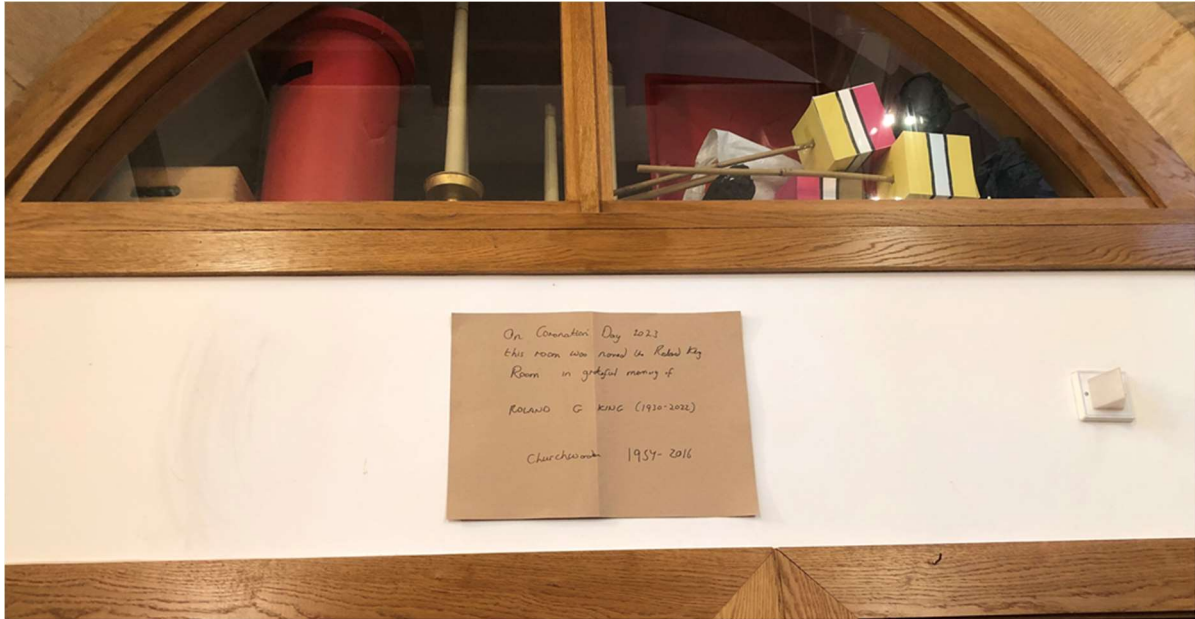

The plaque will be mounted using screws.

Dear Mayra

I have made a fake plaque and put up - photos attached. It seems sensible to centre it as far as possible using the window frame above and the beams above and below. PCC will consider the new wording on 30 June.

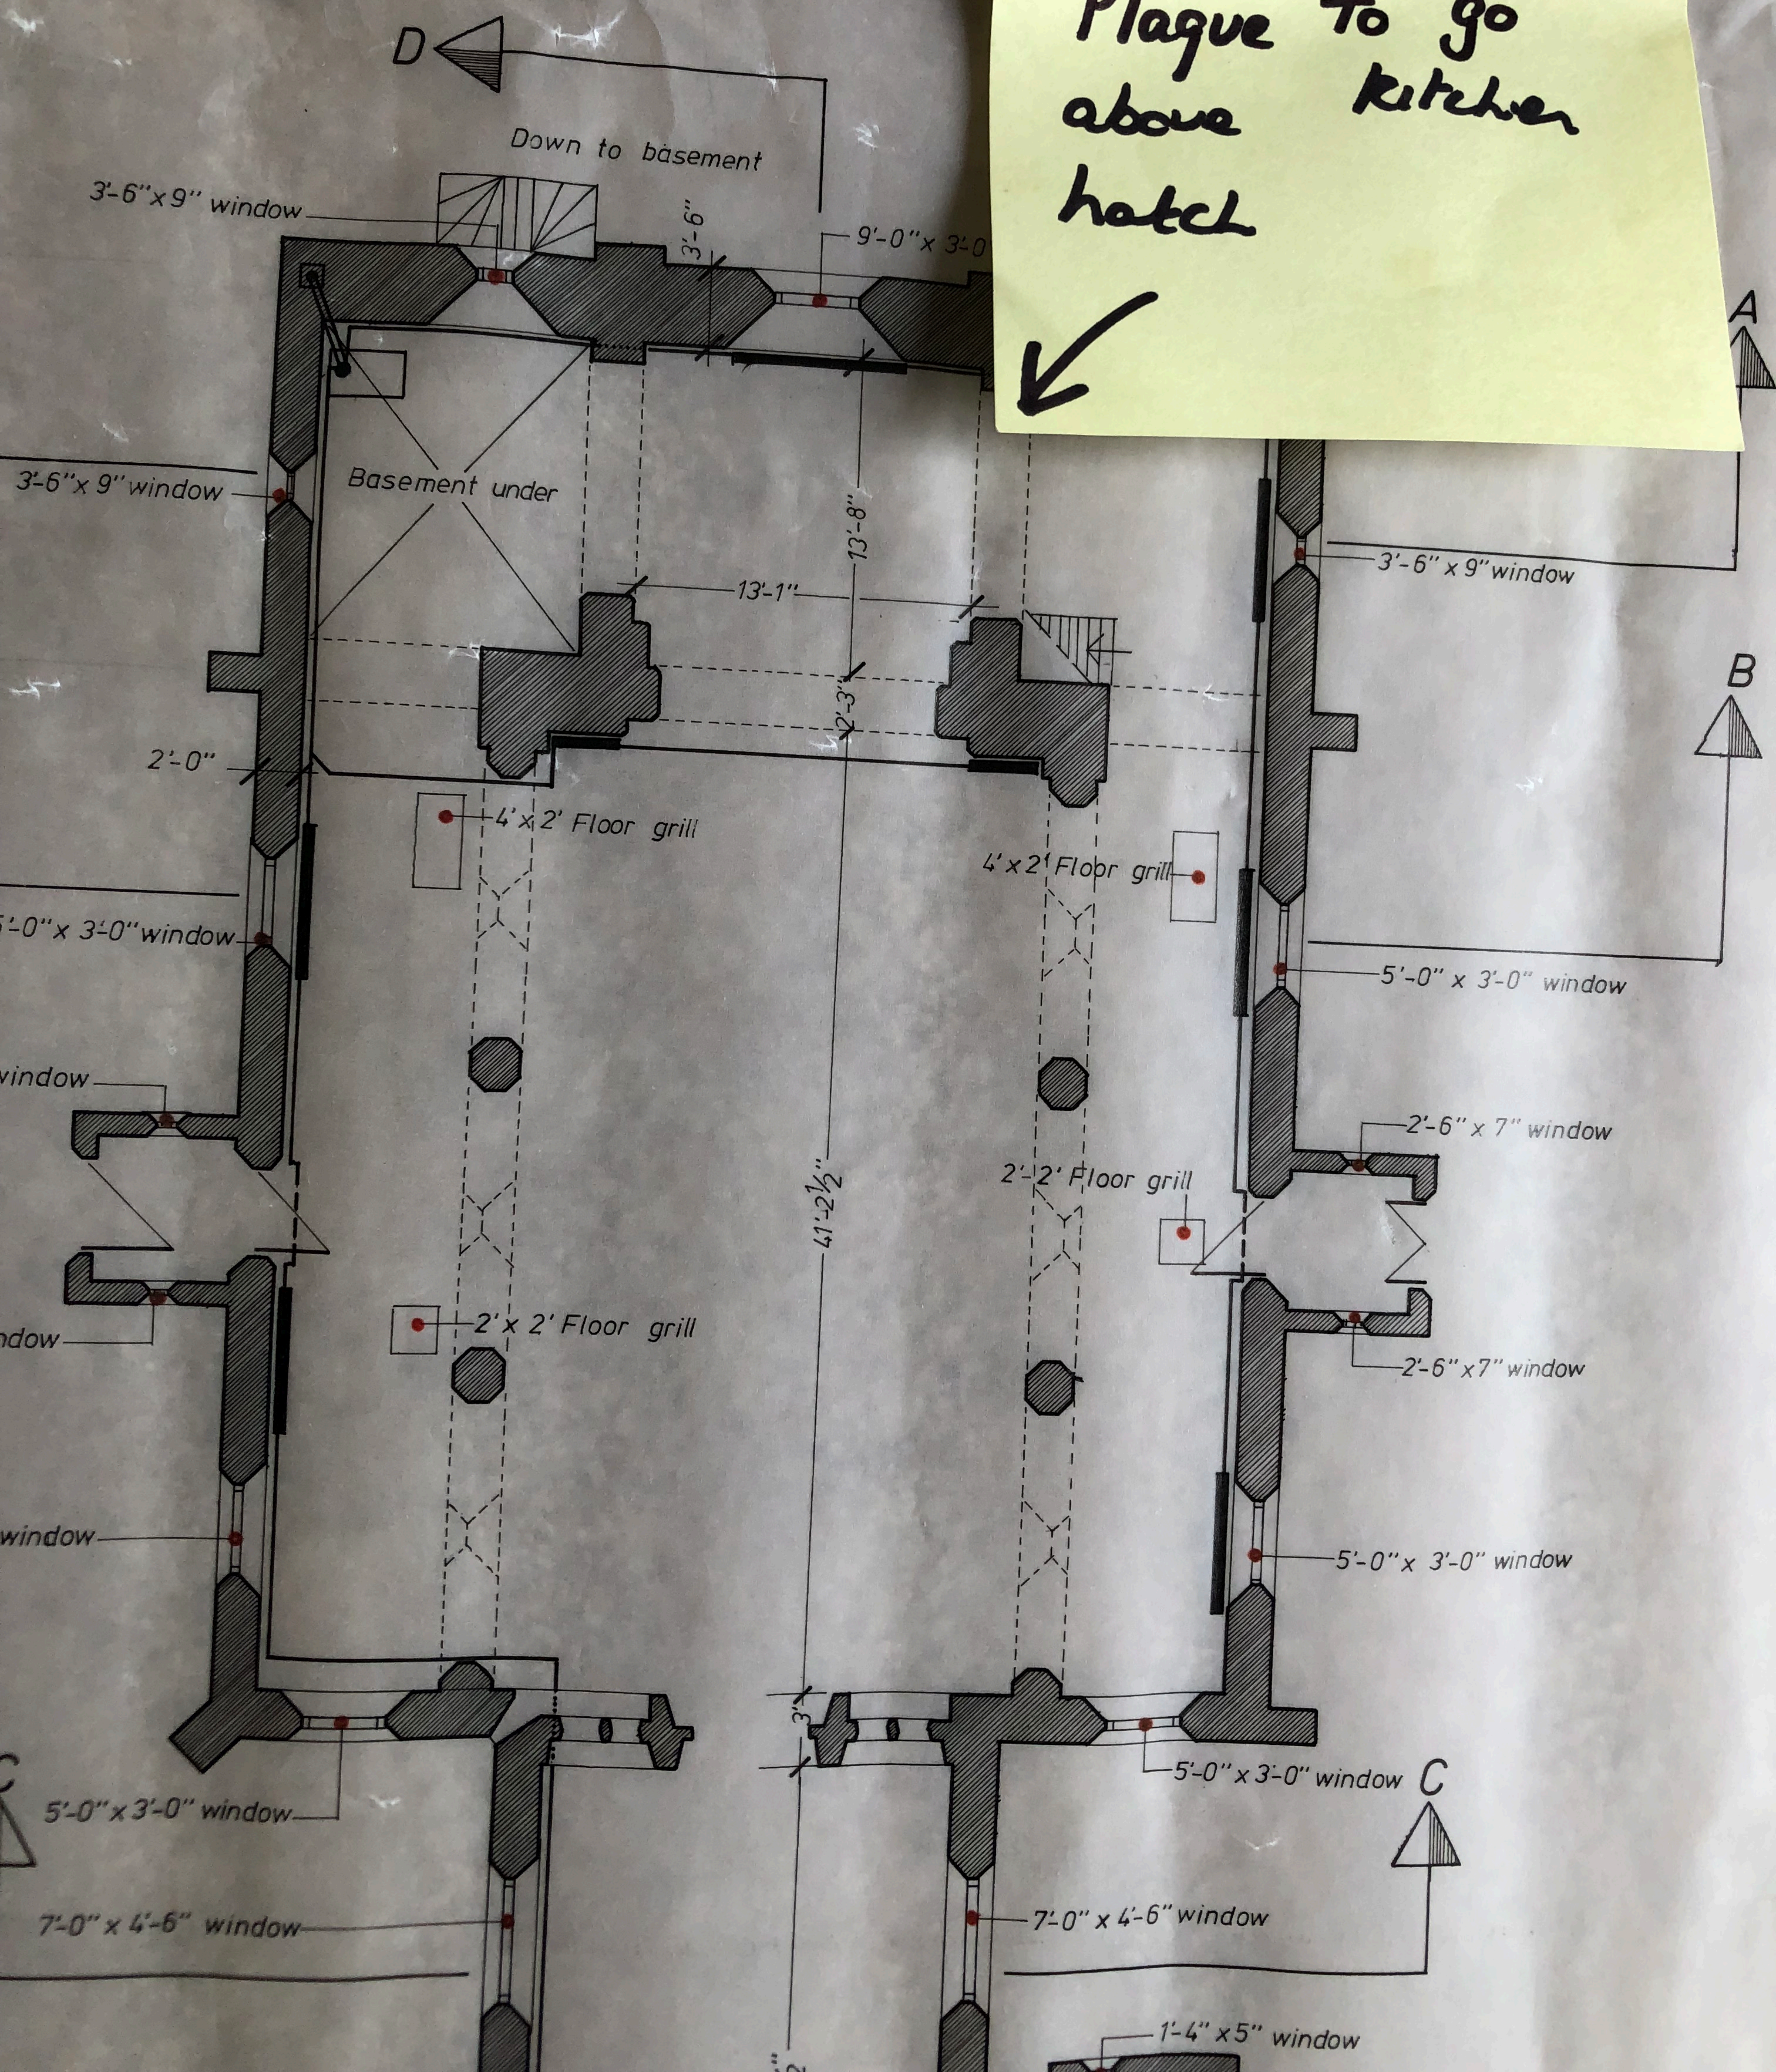

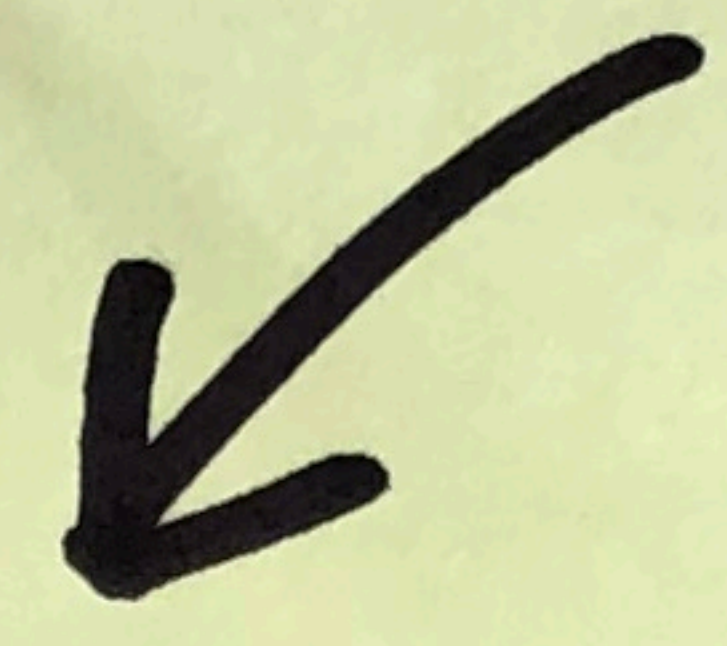

Every blessing

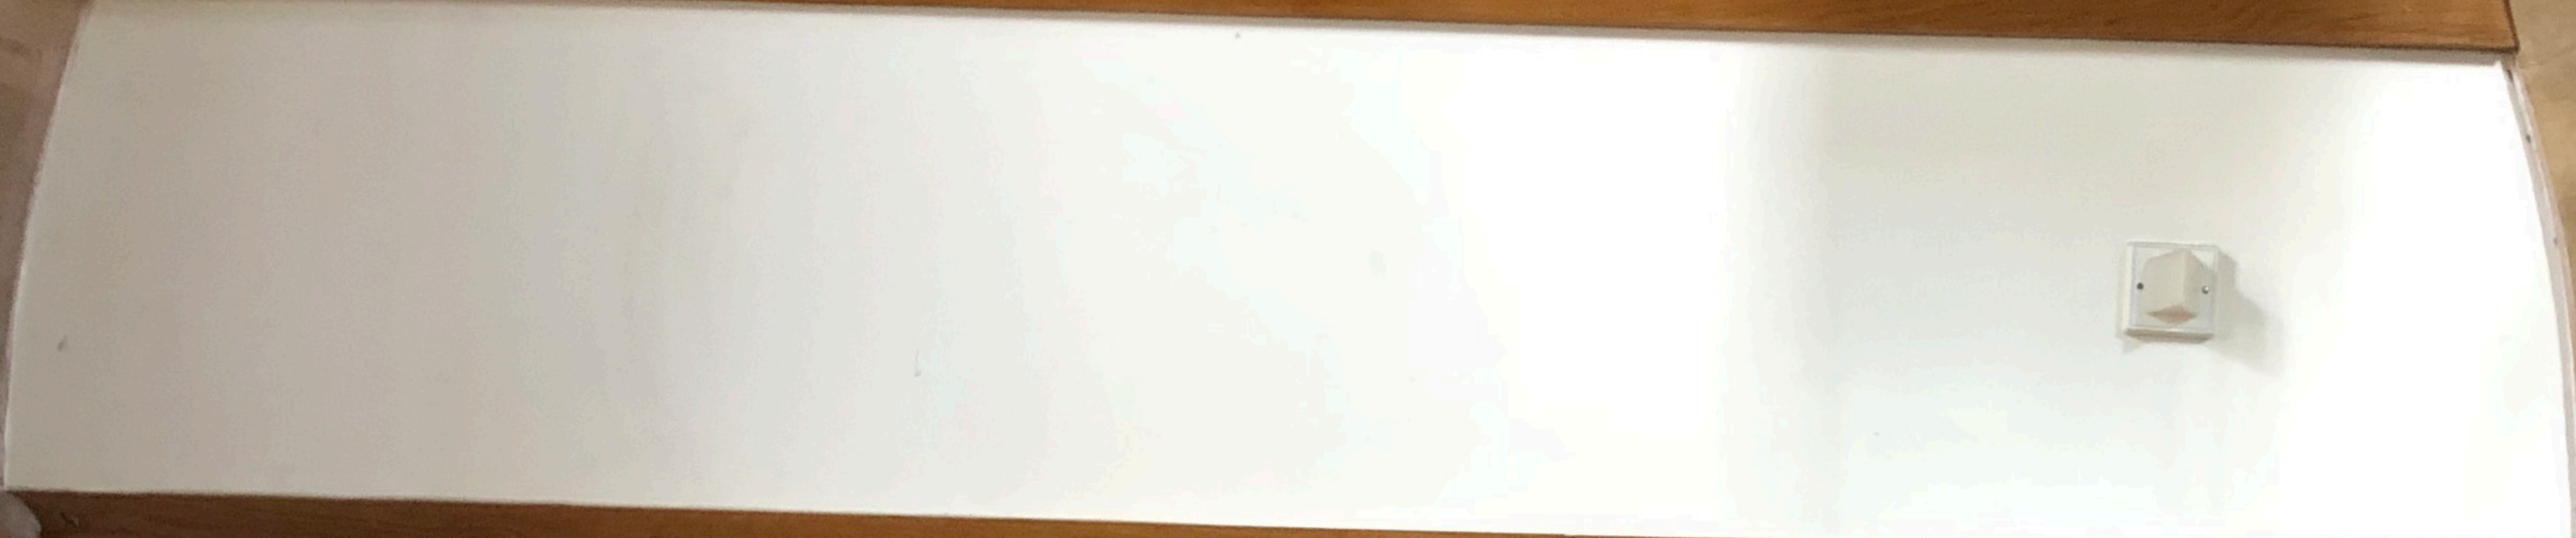

Wendy

Basement

Plaque to go above kitchen hatch

It's not only good to be a  
Fair Trade... it's good for the planet too.  
Fair Trade... it's good for the planet too.

For reasons of safety, please  
ensure that children do not  
come into the kitchen

Dear Mayra

This is the wording and layout agreed by my PCC this morning. I hope this now fits with the DACs requests.

I look forward to getting permission to get the plaque installed. It's taken us a while!

Every blessing

Wendy
